Regional Director's Welcome

Welcome to the CFA Midwest Regional Awards Banquet.

Tonight, we come together to celebrate the heart of Region 6 — our cats, our exhibitors, our breeders, our clubs, and the many volunteers who make this region so special. Each show season is filled with long drives, early mornings, late nights, careful preparation, friendship, competition, and countless moments that remind us why we love this sport.

As we close another season, I want to congratulate every exhibitor being honored this evening. Whether your cat earned a regional award, achieved a personal milestone, or simply made you proud along the way, your dedication is what keeps CFA strong and vibrant.

The Midwest Region continues to shine because of the people who give their time, energy, and talents so generously. I want to extend my heartfelt thanks to Allene Keating, our Regional Secretary, and Kim Webber, our Regional Treasurer, for their dedication and steady support throughout the year.

I also want to thank my husband, Todd, for his patience, encouragement, and unwavering support throughout the year. From the long hours and endless details to the challenges that come with serving this region, he is always there beside me, helping in more ways than most people ever see.

To our regional planning committee — Jim and Susan Charles, Selma Kessler, Kimberly Webber, and Allene Keating — thank you for your hard work, creativity, and commitment to making this evening a beautiful celebration for our region. Your efforts are deeply appreciated.

Serving as your Regional Director continues to be an honor and a privilege. I am grateful for the trust you have placed in me and proud of all we continue to accomplish together.

Congratulations to all of tonight's honorees. Enjoy this evening, celebrate your success, and know that you are part of something truly special.

Midwest is the BEST!

*Janet Moyer
Midwest Regional Director*

Midwest Region's Individual Awards

This year, the Midwest Region is pleased to introduce two new individual awards: the New Exhibitor Award and the Heart of Gold Award. These awards were created to recognize two very important parts of our region's success — those who represent the future of CFA through enthusiasm and participation, and those whose kindness, generosity, and quiet service strengthen our show community.

Exhibitor of the Year Award - This award is presented to a Midwest Region exhibitor who demonstrates exceptional sportsmanship, exhibits regularly, supports show production, and promotes the Midwest Region and Region 6 clubs in a positive and meaningful way. This award honors an exhibitor who represents the very best of CFA — gracious, kind, welcoming, dependable, and willing to help others. The recipient should be someone who encourages new exhibitors, supports fellow exhibitors, treats judges and spectators with respect, and reflects well on the region both inside and outside the show hall. Any exhibitor or judge is eligible for the Exhibitor of the Year Award.

New Exhibitor Award - This award recognizes a newer exhibitor in the Midwest Region who has shown enthusiasm, dedication, and a positive spirit during their early years in CFA. This award honors someone who is actively learning, participating, supporting the show community, and demonstrating the qualities we hope to see in the future of our region. The recipient may be someone who exhibits regularly, volunteers, asks questions, welcomes guidance, and shows genuine commitment to becoming part of the CFA family. This award celebrates not only early success, but also promise, attitude, and the willingness to grow.

Going Above & Beyond Award - This award recognizes an individual whose service, dedication, and commitment to the Midwest Region extend well beyond ordinary participation. It honors someone who consistently steps forward to support the region, its clubs, its shows, and its exhibitors. The recipient may be someone who takes on difficult tasks, solves problems, supports regional needs, helps strengthen events, or provides leadership and service in ways that make a lasting and meaningful difference. This award is intended for exceptional contribution to the region and is not necessarily presented every year.

Heart of Gold Award - This award is presented to an individual whose kindness, generosity, and compassion have made a lasting difference in the Midwest Region. This award honors someone who gives from the heart — often quietly and without expectation of recognition. The recipient may be someone who supports exhibitors in difficult moments, helps new people feel welcome, offers encouragement, volunteers where needed, or simply makes the show hall a better and kinder place to be. The Heart of Gold Award celebrates the spirit of friendship, compassion, and genuine care that keeps our region strong.

We hope this award will inspire many in Region 6 to continue leading with kindness, generosity, and compassion — and that many will aspire to be recognized with the Heart of Gold Award in the years ahead.

*"Great cats bring us to the show hall. Great people keep us coming back."
-Author unknown*

Judge's Service Award

*Mary Auth
35 Years*

Mary Auth has served CFA as a judge for 35 years, becoming an approved CFA Allbreed Judge in 1994 and judging cats in more than 15 countries throughout her career.

Mary's service to the Midwest Region also extended beyond the judging ring. She served as Midwest Regional Director from 2016 to 2020, helping strengthen the region through her leadership, support of clubs, and commitment to CFA's continued presence across the Midwest.

We sincerely thank Mary for her dedication and service to CFA and the Midwest Region. As she retires from the judging program, we wish her the very best and hope she enjoys this next chapter knowing how deeply her contributions are appreciated.

Congratulations to all of our HHP competitors!

The Midwest Region continues to support and encourage the showing of Household Pets. It promotes the cat fancy and allows all our exhibitors to show our love and devotion to our favorite cats, whether they come with registration papers or not. It also has proven to be a great method of finding new forever homes with our spectators!

Many pedigreed exhibitors got their start with a beloved Household Pet. Household pets benefit clubs by providing increased entry numbers and fees. They attract local media, particularly when they are available for adoption- and over 800 feline lives have been saved at in-show adoption events
